DIAMOND SET OF SIXTEEN TILES

\$390

DESCRIPTION

The delicate color palette of these 16 tiles adds an accent of subtle elegance to this set, which is part of the Bossage series. Created by Vincenzo D'Alba and crafted using the technique of the decal, eight white tiles are paired with eight decorated ones. The pale grey of these decorations creates a visual effect of tridimensionality, a signature style of Kiasmo, fond of architecture and volumes. The tiles can be arranged in different configurations to create striking designs that will make a statement in any home.
