DIEGO TERRA FLOOR LAMP BY DIMORESTUDIO

\$17,790

DESCRIPTION

A singular and fascinating design by DimoreStudio, this floor lamp boasts an iconic shape reminiscent of a magic wand. Exuding a spiritual and romantic flair, it rests on a matte black-lacquered metal base enriched with bronze details made with the lot-wax technique. The small source of light supports one halogen bulb of 20W. The dimmer switch is not included but it can be if compatible with the led bulbs. Please ask the Concierge for further details.
