ATHLETAE GYMMETRIA # 1 DINNER PLATE

\$125

DESCRIPTION

Introduced at Milan Design Week 2019, this ceramic plate is part of the Athletae Gymmetria Collection that pays homage to athletes performing different sports. The elegant silhouette of a javelin-thrower is painted by hand in gray over a white background and framed in a series of geometric shapes in gold, light blue, and red that enhance the dynamic movement of the body.
