DESCRIPTION

Reminiscent of the allure of classic cinema, this director's chair features the same silhouette of chairs used by the most iconic stars and masters of the silver screen. Always current, this piece is handmade of highest-quality solid ash with a walnut stain and is completely customizable. The seat and back covers are in 80% acrylic and 20% cotton, water- and stain-repellent. The seat is 46 cm high, the armrests 70 cm.
