DIRECTOR'S CHAIR IN TERRACOTTA RED

\$185

DESCRIPTION

Part of a splendid collection of director's chairs evocative of the allure and glamour of classic movie sets, this foldable chair is a modern interpretation of the iconic design used by famous stars and film directors. Its structure is handcrafted of fine solid ash with a walnut stain that elegantly complements the terracota red hue of the covers on seat and backrest. The upholstery is 80% acrylic and 20% cotton, stain- and water-repellent for extra versatility and functionality. Its seat is 46 cm high and the armrests are 70 cm high. This piece is entirely customizable.
