DISCO SOMMERSO SMALL POLYCHROME SCULPTURE #2

\$3,430

DESCRIPTION

An unrepeatable Murano glass sculpture that is sure to create an attractive focal point in any room, this design results from the impeccable artistry of master glassblowers and is delivered with its authenticity certificate. Hypnotizing in its incorporation of dark fibers veiling circles in green and brown glass, this mesmerizing effect is achieved through a deft application of the "sommerso" technique.
