DISPLAY CABINET

\$45,600

## DESCRIPTION

An impeccable combination of exclusive, refined materials, this display cabinet boasts a superbly plush allure in its Art Deco design. Crafted of Makassar ebony, the top part of the doors is made of glass, while the bottom one boasts an inlay work in white Australia and black Tahiti mother-of-pearl, adding mesmerizing and sophisticated hues to the piece. The exquisite carvings enriching the cabinet are made of silver leaf, and the back of the piece features a fabric panel.
