DIZZY SIDEBOARD

\$6,990

DESCRIPTION

Modern and minimalist, this piece is made entirely in fine maple wood with a natural finish and decorative inlays that mark its top edges and punctuate the three panels of the front door. The doors feature push and pull systems for easy opening, and there are three shelves behind each one. The feet are in wood. Versatile and elegant, this piece will make a statement in any room, including a study or a living room and will be suitable for any decor.
