DOG BOTTLE OPENER

\$75

DESCRIPTION

This elegant kitchen and dining room accessory will make a statement on any occasion, thanks to its exquisite craftsmanship and the superb decoration of its handle. While the ring and metal parts of this bottle opener are made of brass with a sophisticated nickel finish, the handle is in acetate with a finish that resembles wood and depicts the head of a dog, rendered in all its vivid detail, its varied textures, and the life-like expression of the animal.
