DOGE PITCHER

\$155

DESCRIPTION

This captivating pitcher is a testament to glassmaking tradition and modern visual balance. Skillfully handcrafted of glass, it has a flared silhouette with a faceted, geometric base and vertically fluted sides that lead to a wide pouring rim and a curved handle. The white and orange color gradient of the glass pitcher elegantly contrasts with the multicolored glass handle, creating a dynamic color and textural contrast that gives the piece a unique, modern flair. This pitcher will add a refined touch of elegance for both everyday and festive table settings. It holds max 40 oz.
