DOGE WINE CABINET

\$101,615

DESCRIPTION

This wine cabinet is a masterpiece designed by Massimiliano Raggi and celebrates the stately elegance of the Italian Renaissance. The wooden structure with wax coating and hand-plastered finish is adorned with bronze, mirror glass, and hand-applied gold and platinum artistic mosaic. This exquisite work of art reproduces the exterior of the clock tower of Venice, with its harmonious volumes and precious allure. The interior is equipped with partitions upholstered in leather. The inside bar is optional, please inquire with the Concierge for details.
