DOMINO EXTENDABLE DINING TABLE

\$3,945

DESCRIPTION

The Domino extendable dining table has been specially designed and created to bring us back around the table to share moments together. Featuring a structure in powder-coated aluminum with a natural teak top, the table measures 160 x 95 cm and it is extendable to 260 cm with the aluminum extension included in the structure and up to 320 cm with the addition of an extra aluminum panel.
