DOMINO GRAY DIRECTOR CHAIR

\$1,895

DESCRIPTION

This versatile director's lounge chair designed by Domino exemplifies craftsmanship, simplicity, and functionality. Part of its namesake collection, this outdoor and indoor chair boasts a sleek frame crafted of powder-coated aluminum in graphite, the collapsible X-shaped base highlighting the dainty armrests and tall back. The cushions are made of quick-dry foam padding upholstered in light gray that effortlessly complements the frame. This chair will be an original seating option in any style decor. It is available with white frame and beige mÃlange cushions, please ask the Concierge. Contract and commercial certifications available upon request.
