DOMINO TABLE LAMP BY CIARMOLI QUEDA STUDIO

\$2,905

DESCRIPTION

This splendid table lamp designed by Ciarmoli Queda Studio is part of the Domino Collection. This playful piece can be displayed as a statement in a modern interior, or combined with the console of the same series for a complete look. The standout element of this lamp is its white Carrara marble body, enclosed in a rectangular brass structure with cut corners and visible hardware. Four holes pierce the stone, reminiscent of domino pieces, also marked in brass. It is possible to request a specific decorative pattern before placing the order, please contact the Concierge.
