DONALD BLACK COFFEE TABLE

\$3,735

DESCRIPTION

This superb object of functional decor is a stunning example of eclectic sophistication and will make a statement in a contemporary interior. The unique sculptural silhouette and use of vibrant colors will be eye-catching in a living room or study where it will also provide versatile storage, support, or surface display. The round top rests on a truncated cone and both elements are painted in black, strikingly contrasting the brown, pink, and green of the semi-circular inserts at the top.
