DONALD GOLD COFFEE TABLE

\$2,180

DESCRIPTION

This unique coffee table is sure to make a statement in a contemporary living room or study thanks to its eclectic finishes, geometric silhouette, and stunning use of colors. Part of the Donald Collection, it features a truncated-conical base and a round top, all covered in a luminous gold finish. The three semi-circular elements highlight the top edges marked in white, green, and orange, adding a dash of vibrant colors to this superb object of functional decor.
