**DONNA TALL RED VASE**

\$360

## DESCRIPTION

Masterfully handcrafted with red terracotta on a lathe, this exquisite vase boasts an asymmetrical silhouette depicting a charming, red-haired woman. Thanks to a meticulous engobing process, the resulting finish is even and ready to be handpainted and fired at a maximum of 1000°. A second firing at 930° follows the glazing step that bestows this stunning object its characteristic glossy finish.
