DOPPIA C BOOKSHELF

\$7,080

DESCRIPTION

This magnificent bookshelf has a timeless and sophisticated charm that will enrich any living room, either classically decorated or with a more contemporary flair. The structure mixes the rectangular elements forming the vertical structure with six generous shelves and uses two noble materials that perfectly complement the simple lines of this piece: acid-etched brass rectangles and planks of aged durmast wood. Elegant and versatile, this piece will be a superb addition to any decor.
