DORA MAAR POLYCHROME GLASS SCULPTURE

\$5,740

---

## DESCRIPTION

Inspired by Picasso's renowned painting "Dora Maar" depicting one of his lovers, this remarkable sculpture handcrafted from fine, polychrome Murano glass is sure to capture the eye wherever it is placed. A free and dynamic combination of blue, black, yellow, green, and red glass adds chromatic detailing to the eccentric silhouette, also featuring submerged filigrees. Each piece comes signed by the master glassblower who handcrafted it.
