DORIS OVAL CONSOLE TABLE IN CALACATTA MARBLE AND BRONZE

\$18,540

DESCRIPTION

Boasting a cutting-edge design inspired by the antique Doric architectural style, this exquisite console table will take center stage in an elegant room with its imposing silhouette. The elliptical top in prized Calacatta marble is sustained by a support in blackened bronze with a texture evoking the grooves of Greek antique columns with a succession of raw and polished surfaces to produce a stunning, shading effect. Several customization options are available for the top, please inquire with Concierge for details and pricing.
