DORMITIO LEATHER LOUNGE ARMCHAIR

\$860

DESCRIPTION

Part of the Dormitio collection inspired by the '50s and '60s Italian furniture designs, this elegant armchair has an innovative silhouette that enhances its natural materials with an essential, comfortable shape. Made entirely of solid beech with rich stained finish, the protagonist of this chair is the upholstered seat made of handcrafted woven strips of soft black leather. The Dormitio armchair combines art, elegance, and luxury in a comfortable yet refined piece that invites relaxation and socializing and will make an alluring addition to any environment, either residential or business.
