DOUBLE ELLIPSE EARRINGS

\$250

DESCRIPTION

Unconventional and daring, this exquisite pair of pendant hoop earrings is a testament to modern aesthetic taste and traditional craftsmanship. Handcrafted of gold-plated brass, they are defined by the ribbon-like coils wrapping effortlessly around the bottom half of the hoop structure, creating a striking illusion of movement. The hoop pendants hang from a rounded stud with a post back closure for easy wear. These mesmerizing hoops are wearable works of art with a distinctive heirloom-quality that will make them a focal point in any jewelry collection for years to come.
