DESCRIPTION

An imposing piece of functional decor that will make a statement in a study or office, this desk can be used on both sides, thanks to the stunning series of bas-relief decorations carved by hand that grace both fronts. Its large size allows it to be used by two people simultaneously, when placed in the middle of a room, where it will also provide an exquisite decoration. Crafted of Swiss pine with a natural finish, this desk features leather inserts at the top and burnished brass metal accents.
