DOUBLE MISTLETOE SEAT MARKER

\$360

DESCRIPTION

Made of silver and boasting exquisite craftsmanship, this stunning object of functional decor will add a delicate holiday touch to an elegant dinner table. Shaped as a double mistletoe branch, this piece will create a subtle decoration, while also being able to make room for a small place card, thanks to a small cut at the base. The splendidly rendered leaves curve in a dynamic composition, dotted with the signature round berries.
