Moleria Locchi

DOUBLE PALM CRYSTAL GLASS

\$120

DESCRIPTION

A stunning glass that will add a lavish accent in any home, this piece is part of a collection introduced at Milan Design Week 2018 inspired by the striking elegance of exotic nature. The cylindrical shape of the piece is made of blown crystal that was etched by hand with two palms, one of which boasts a decoration in pure gold. This exquisite object of functional decor can also be a superb gift.
