DOUBLE SIDED DARK GREEN CUSHION

\$260

DESCRIPTION

Vibrant hunter green hue, soft fabric, and a subtle geometric design make this cushion a sophisticated accent in any monochromatic interior. It is decorated on one side with a geometric pattern of small green and ocher squares on a beige background that adds texture and dimension, the reverse is in solid green with hand-stitched details (1520/092 e 1510/03 cat. Extralux). Complete with green piping, this visually alluring and dynamic piece is an elegant choice for a modern-styled living room or guest room.
