DOUBLE WILD EARRINGS

\$350

DESCRIPTION

Distinguished for its sculptural appeal, this refined pair of earrings is a timeless accessory for the modern woman. Hand-fashioned of gold-plated brass, the distinctive horn silhouette slightly curves to accentuate the natural contours of the ear. The earrings' smooth top contrasts with the textured horn marked by a circular and diamond-shaped pattern, etched onto the surface. Stunning in its simplicity, these earrings will effortlessly transition from casual day-wear to nightwear.
