DOUBLE WIRE GOLD-BRONZE BRACELET WITH PEARLS

\$190

DESCRIPTION

Rigorous geometry, minimalism, and a three-dimensional effect give this bracelet a stunning allure that will complement a modern and edgy wardrobe becoming an eye-catching addition to any occasion. Made of gold-plated bronze, its sinuous silhouette opens to create two prism-like structures, each enclosing a small pearl. Bold and sophisticated, this piece can be combined with others by the same designer for a dynamic effect.
