## DRITTO OVAL DINING TABLE BY PIERO LISSONI

\$10,260

### DESCRIPTION

Unparalleled craftsmanship and design innovation come together to produce this timeless work of functional decor. Designed by Piero Lissoni exclusively for Salvatori, this lavish table features a sleek, oval tabletop made of black Pietra d'Avola limestone propped up by a pair of iron legs. The angled, architectural silhouette of the legs elegantly contrasts with the fine natural marble surface, an elaborate detail infusing the piece with modern flair.
