**DUET GRIGIO PRALI TABLE LAMP BY MARCO FONTANA**

\$1,650

## DESCRIPTION

Designer Marco Fontana designed this splendid table lamp as a concrete and functional way to effortlessly couple industrial and natural materials. Set in a base of black anodized aluminum, the parallelepiped-shaped shade in gray-toned Grigio Prali marble diffuses the light flow in a suffused output and unique shades, due to the unrepeatable, natural tracery characterizing the natural stone.
