DUET LOW COFFEE TABLE

\$1,210

DESCRIPTION

This elegant side table was designed by Cristian Mohaded in 2017 and combines a structure of beechwood and steel. Both materials have a square section. This contemporary design, highlighted by the color contrast between the black lacquer of the wood stain and brass color of the steel finish, boasts the traditional Viennese bent shape, updating the classic feature of the brand in a modern object that combines round and straight lines in a unique fashion. The top is made of tinted glass.
