DUETI TABLE BY ACHILLE CASTIGLIONI

\$7,610

DESCRIPTION

Designed by Achille Castiglioni in 1990, the simple and essential geometry of this table combined with the precious marble create a stunning visual impact. Made entirely of black Marquinia, the elliptical bevel edged top is supported by two T-shaped legs that define the space in a contemporary style. This exclusive piece will be a perfect conference table or a majestic dining table, adding a unique and timeless look to any modern interior. This exclusive single-material piece is also available in Crema Valencia, white Pennsylvania and white Carrara marbles. Please ask the concierge for possible price changes in these options.
