DUNE TRAY

\$880

DESCRIPTION

Entirely handcrafted and hand-decorated, this remarkable wooden tray will be a unique addition in a contemporary home. It is part of a limited edition of only 20 pieces released in 2017, numbered and signed. Made of walnut, it boasts a perfectly round shape with tall edges, enveloping a golden background on which a round golden spot and three wave-like decoration add a contrasting and unique texture. A stunning object of functional decor and a versatile piece of art, this tray can be used along with others by the same designer for a dynamic and colorful effect.
