**EAGLE BOTTLE OPENER**

\$70

## DESCRIPTION

The majestic profile of an eagle is the handle of this superb bottle opener that will make a statement when used on any occasion. The ring and metal parts are made of brass with a nickel finish, which matches the finish of the ABS-made decoration. The smooth surface of the bird's beak, the piercing glare of its eyes, and the soft texture of its plumage are artfully rendered, making this everyday accessory into an object of functional decor. A precious addition to any home, this piece makes also a great gift.
