EASY TABLE LAMP - TURQUOISE

\$1,485

DESCRIPTION

The Easy Floor Lamp is all about simple classic geometry, masterfully revisited through various color combinations. The lampshade cotton fabric is presented in block colors with contrasted trimmings and fringing around the bottom rim. The hexagonal base is made from Canaletto walnut wood and the stem from antique brass with a particular central white varnishing which adds weightlessness to the lamp. Suitable also for LED bulbs. Ask the Concierge for customization.
