## EBONY AND LIGNUM VITAE SPINNING TOP

\$470

---

### DESCRIPTION

A splendid dark greenish brown bell in Lignum Vitae wood embellishes this unique spinning toy entirely crafted by hand using traditional methods. The smooth, jet-black Camerun ebony stem and black silicone rubber ring around the circumference create a stunning contrast, enhancing the classic design that is finished with a glossy coating of wax and natural oil to enhance and protect the prized woods. The brand logo is engraved on the small steel tip.
