**EBONY CONSOLE**

\$18,750

## DESCRIPTION

Part of a collection of exquisite furniture pieces made of ebony and boasting a bold character and timeless sophistication, this console features six legs painted in dark ebony, combined three by three, and connected with an insert in Cortecchia marble cast in brass. The same noble materials occurs in details at the top and bottom of the legs and to separate the ebony wood structure from the top in striking ziricote, whose large and uniquely shaped grain adds a one-of-a-kind decorative element to the piece.
