## ECCENTRICO BIG MARBLE DECORATIVE VASE

\$4,815

### DESCRIPTION

This superb piece of decor is in marble that was made entirely in Rosso Antico d'Italia marble, a precious variety of violet marble that features white and green hues and is made through processing natural stone with five-axis pantographs, a process that allows for the creation of more complex shapes than the traditional techniques. The effect is majestic and luxurious and is part of the unNatural collection designed by Giorgio Ragazzini.
