ECCENTRICO BLACK SCULPTURE BY GIUSTI & DI ROSA

\$805

DESCRIPTION

Designed by Giusti & Di Rosa in 1970, this elegant sculpture is made of a solid black Portoro marble disc with a triangular section carved out to reveal the natural stone in all its beauty. The top features also a decoration made of concentric circles in a gray color that matches the veins of the marble, a mark of authenticity and quality. Alone or with other objects, this remarkable sculpture can be used as a dynamic centerpiece for decoration on a table, or a bookshelf and will be a most cherished housewarming gift. Available also in white Carrara marble: ask the concierge for pricing in this option.
