ECLECTIC FLOOR LAMP

\$2,760

### DESCRIPTION

Part of the Eclectic Collection and a perfect complement to the Eclectic Sconce with Circles, this floor lamp is a stunning piece of functional decor that will enliven any home. Its structure in wood is made up of a round base and a vertical element that supports, at its top, a circular shade covered with a brass panel. On the metal, several circles are etched, creating a mesmerizing decoration that will enrich any decor.
