ECLECTIC SCONCE

\$2,160

DESCRIPTION

Poetically evoking the surface of the moon, this sconce has a mesmerizing quality that makes it a stunning addition to a contemporary home. Either placed in a bathroom, entryway, or living room, this lamp will enrich any wall. Its round structure in wood is covered with a full brass plate that was engraved and etched. The unique decoration is an abstract pattern that adds an organic quality to the surface of the piece.
