## ECLIPSE CHANDELIER

\$10,190

### DESCRIPTION

A lavish piece of functional decor, this chandelier will be a sumptuous and modern accent in a contemporary home as well as a classic interior. The ring that constitutes its shape is made up of two layers of handmade crystal prisms attached both outside and inside the piece to reflect the double line of LEDs shining both inward and outward. The structure and mountings of the crystals are in complementing metal with a polished chrome finish. Contract and commercial certifications available upon request.
