ECLIPSE DRESSER

\$11,180

DESCRIPTION

Supported by four tapered feet accented with metal ferules, this refined dresser has a sleek wooden frame with velvet-like, black finish. The encased compartment unit features three brown veneered drawers, each featuring a small, round handle in brass-finished metal. A white marble top, encased in a raised-edged frame adds visual intrigue to the piece. With its clean lines and material contrast, this minimalist piece will adorn any bedroom with understated sophistication. The simple and modern lines of this sideboard make it a versatile addition to any room of the house.
