ECLIPSE LARGE GLASS BOTTLE WITH MARBLE BASE BY ELISA OSSINO

\$420

DESCRIPTION

Part of the Eclipse collection designed by Elisa Ossino as a series of objects inspired by the mesmerizing geometries of lunar landscapes, this bottle was crafted of mouth-blown, transparent glass with a unique lateral spout and a copper stopper at the top. It rests on an elegant Carrara marble base, creating a sophisticated design that can be used alone on a table or countertop, or combined with other pieces in the same series for an elaborated display.
