## ECLIPSE RECTANGULAR DINING TABLE

\$13,845

### DESCRIPTION

The clean-cut and sleek profile of this captivating table boasts contemporary inspiration that pairs a sleek body with gracefully angled legs. The base is made of lacquered wood with a velvet-like, black finish upon which rests an imposing, rectangular top with rounded corners. The asymmetrical pattern of the inlaid veneered top becomes a focal point of this multi-functional piece that can also be used as a large desk. Paired with the Eclipse Dining Chairs and Armchairs, this piece will add style and functionality to any contemporary dining room.
