## ECLIPSE ROUND DINING TABLE

\$19,330

### DESCRIPTION

Characterized by a bold aesthetic and a chiaroscuro visual contrast, this luxurious dining table will complement any modern interior. Supported by a sophisticated shape of intersecting wooden C-shaped legs, enhanced by a black velvet-like finish and brown, rectangular feet, a white marble lazy susan sits at the center of the round inlaid veneered top, for a striking visual contrast. These original features make it the perfect table for intimate dinners with friends and loved ones.
