ECLIPSE SMALL GLASS BOTTLE BY ELISA OSSINO

\$250

DESCRIPTION

Designed by Elisa Ossino as part of the Lunar Landscape collection, this elegant bottle was crafted of mouth-blown, transparent glass with an elegant circle adorning the mouth that is closed with a copper stopper. Minimalist and refined, this piece shows Bauhaus influences and will be a stunning addition to a contemporary or industrial decor, where it can be used to serve chilled drinks or as unique decorative piece, either alone or combined with other Eclipse bottles.
