## ECLISSE WALL MIRROR

\$1,260

### DESCRIPTION

This superb mirror is a harmonious combination of round lines enclosed by solid wood frame treated with an oil and water-based varnish. The name hints at the shape of the frame, poetically evoking a moon eclipse, cut using the CNC (Computer Numerical Control) technique to create a precise silhouette and then finished by hand. Available in ash or walnut, this piece can be finished in various lacquer colors and other dimensions, please ask the Concierge for details and pricing for customizations.
