ECLITTICA VERDE ALPI TRAY BY STELLA ORLANDINO

\$500

DESCRIPTION

Stunning as a tray or centerpiece, this exclusive design was inspired by the ecliptic, the plane of Earth's orbit around the Sun. The pattern of randomly distributed pierces gracing the metal frame symbolizes the myriad of stars from the Milky Way. The internal bottom in Verde Alpi marble confers a unique aesthetic and luxurious feel to the piece, which also comes in different marble variants upon request to the Concierge.
