EDGAR 1 BEIGE CABINET

\$10,025

DESCRIPTION

The elegant aesthetic of this cabinet is linear and pure, made of reed stained oak, black for the external frame and beige for the central unit, featuring two doors and a top drawer. Formal simplicity and sophisticated finishes give this piece a strong personality that will enrich a modern interior. Available also in cerused oak, this cabinet is complete with a small hutch featuring two small drawers with oak handles resting on a top surface lined with Diamante leather for a refined contrast.
